2022 TICOBA BULL SALE

SALE INFORMATION

Hourn & Bishop QLD

We gratefully acknowledge the efforts of our agents Hourn & Bishop QLD.

Please direct sale enquiries to Matt Bishop on 0437 972 292 or Brad Passfield on 0459 160 791.

A 4% rebate will be paid to outside agents providing the licensed agent introduces the client 24 hours prior to the sale, and accompanies their client to the sale.

AuctionsPlus

The sale is interfaced with AuctionsPlus and will be conducted live online in real time. Bidding is available only to registered AuctionsPlus users. To bid you must register, preferably 24 hours prior to the sale. For more information contact AuctionsPlus on (02) 9262 4222 or email info@auctionsplus.com.au

All sale lots have been videoed, and these videos can be viewed online in early August at AuctionsPlus (www.auctionsplus.com.au).

Transport

Bulls can be picked up from Ticoba from Sunday 28th August. Arrangement prior to pick up is kindly requested. Free delivery can be arranged to Roma, Gracemere, Biggenden, or within a 150 kilometre radius of Ticoba. All care but no responsibility will be taken with these deliveries.

Insurance

Although all care will be taken, from the fall of the hammer, all bulls become the responsibility of the purchaser. We strongly recommend you insure your purchases with your preferred insurer. Insurance agents will be on site sale day to assist.

Disclaimer

The vendor has produced this catalogue with every effort to ensure the accuracy of the information, however, will not be responsible for any errors or omissions. Sale day safety is of the upmost importance to us, so please follow directions and protocols on the day.

2022 TICOBA BULL SALE

SALE INFORMATION

Health & Breeding Soundness

All bulls have been treated with 3 germ blood, 3 day vaccine and 5-in-1 vaccine, and will be cleared to travel to clean areas. All bulls are classified J BAS 7.

All bulls are semen tested prior to sale. Any bull without a satisfactory semen result will be withdrawn from the sale. To the knowledge of the vendor, all bulls offered for sale are sound and fertile, confirmed by fertility and soundness evaluations by a qualified vet.

Supplementary Data

All bulls will be ultrasound scanned by David Reid (Accredited Scanner) prior to the sale. Bulls will be scanned for rib and rump fat (mm), EMA (cm²) and IMF (%). A supplementary sheet reporting each bulls' weight, scan data, scrotal circumference, motility and morphology, will be prepared and published (via Hourn and Bishop QLD and AuctionsPlus) prior to the sale. Copies will also be available on sale day. If you would like a copy of the Supplementary sheet, please do not hesitate to contact the vendors or agents.

Estimated Breeding Values

Ticoba and Savannah have a commitment to provide optimum data to their clients. Consequently, EBVs (an animal's breeding value, half of which will be passed on to its progeny) have been provided for both reference sires, and bulls which have them available. For information regarding interpreting EBVs please refer to the Simmental Australia website <https://simmental.com.au/>.

Polled Genetics

Ticoba and Savannah place a significant emphasis on breeding for polled genetics. Bulls denoted as P in the catalogue are polled. Bulls denoted as PSc are polled scur. Cattle listed in the catalogue/pedigrees as PP are homozygous polled by DNA.

REFERENCE SIREs

SAVANNAH POWER SURGE (PP) (R)

DOB 02/03/2018 BREED 100% Red Simmental

Sire of Lots 21, 22, 23, 24, 25, 26, 54

Savannah Power Surge P09 was purchased at the 2019 Simmental National by Matt Kirk and family. One of the first calves by Wheatland Kill Switch, P09 has outstanding softness, and extra length. P09's exceptional temperament has been stamped in his progeny. P09's first bull calves offered for sale, lead out the Ticoba draft this year, and are stamped with his extra length and capacity.
