Assessor Comments

Buyers here is an even line of one brand Brahman heifers. All tidy around the head and handled with ease at assessment. These have been weaned off some breeders that were purchased from the Charters Towers area and have been backgrounded through to there current weight. Ideal to finish on grass or grain or alternatively, they would be ideal to join to a line of bulls of your choice. There are also two other lots in the same sale. Buyers note please there is some ringworm scarring and odd fly bite in the mob.
