Assessor Comments Buyers here is an even line of one brand coloured Brahman and crossbred type heifers. All tidy around the head and handled with ease at assessment. These have been weaned off some breeders that were purchased from the Charters Towers area and have been backgrounded through to there current weight. Ideal to finish on grass or grain or alternatively, they would be ideal to join to a line of bulls of your choice. There are also two other lots in the same sale. Buyers note please there is some ringworm scarring, odd fly bite and one heifer with a ripped ear in the mob.
